AN EVENING WITH GEORGE TAKEI

Known around the world for his founding role in the acclaimed television series *Star Trek*, in which he played Hikaru Sulu, George Takei's story goes where few stories have gone before. A childhood spent with his family wrongfully imprisoned in a Japanese Internment Camp in WWII, to becoming one of the country's leading figures in the fight for social justice, LGBTQ rights, and marriage equality, he remains a powerful voice on issues ranging from politics to pop culture. With an uncanny eloquence and signature wit, Takei will share with us his passion as an advocate for social justice.
